Information Sheet 2025

Flowers:

- With a **SUMMER BOUQUET** subscription from Hilltop Blooms Dauphin, you will receive **THREE** premium hand-tied bouquets *spread out during the summer months of July and August.*
- The bouquet will consist of large stems from a variety of blooms available at the time of the bouquet creation.
- I cannot guarantee what type of flowers you will receive in your bouquet but some flowers I will be growing in 2025 are sunflowers, zinnias, rudbeckia, ageratum, yarrow, eucalyptus, lisianthus and many more. Along with the flowers will be some beautiful greenery to compliment the flowers.
- Due to the size of my garden, I cannot fulfill color requests.
- Flowers picked will be made by grower's choices. I will guarantee a beautiful full bouquet.
- In the event of crop failure, I will source flowers from other local growers first or wholesale.

- Delivery is an additional \$5.00 for the total subscription if you live/work in the city of Dauphin. (You will be charged on checkout when ordering).
- No deliveries outside the city of Dauphin, but we can arrange a pickup location in Dauphin on your delivery date.
- DATE of delivery: On purchase you will be asked to pick from an option of delivery date choices. This is required for planning purposes.

three inches of water in the bottom for me to deliver your flowers that will stay fresh until you get home!
