

## Hilltop Blooms Bouquet Subscription Information Sheet 2024

### Flowers:

- With a bouquet subscription from Hilltop Blooms Dauphin, you will receive **FOUR** premium hand-tied bouquets, two in July and two in August.
- The bouquet will consist of a large stems from a variety of blooms available at the time of the bouquet pickup.
- I cannot guarantee what type of flowers you will receive in your bouquet but some flowers I will be growing in 2024 are sunflowers, zinnias, strawflowers, asters, gladiolus, yarrow, lisianthus, nigella, marigolds and many more. Each mature at a different rate, so each bouquet you received will be a bit different. Along with the flowers will be some beautiful greenery to compliment the flowers. There will be plenty of variety!
- Due to the size of my garden, I cannot fulfill color requests.
- Flowers picked will be made by grower's choices. I will guarantee a beautiful full bouquet.
- In the event of crop failure, I will source flowers from other local growers first or wholesale.

### Delivery of your Bouquet:

- Delivery is included in your subscription if you live/work in Dauphin. I will provide you a bucket on your first delivery and on subsequent deliveries, I would ask you to set out the bucket on your doorstep with three inches of water in the bottom for me to deliver your flowers that will stay fresh until you get home!
- **I will email or text you (your preference) one to two days in advance of the delivery date. I will also inform you of an approximate delivery time, but ask you have your bucket sitting on your doorstep for drop off!**
- IF you do not live/work in Dauphin, the pickup option on the delivery date will be in the Dauphin Liquor market parking lot between 2-230 pm.
- At the end of the season, I will ask for the return of your bucket, thank you.

### Giftng option:

- Gifting the bouquet subscription to a friend or loved one is available and such a nice gift!
- **Be sure to tell me IF your subscription is a gift, and I can arrange to send you an official gift certificate in advance of the gifting date (birthday, Mothers day etc).**
- I will contact the recipient to arrange delivery but only after you tell me to ( I don't want to spoil a surprise!). Same conditions apply to gift recipients regarding delivery/pickup.
